

## Religion-In-Life Addresses Stress Religion, Freedom

• "RELIGION AND FREEDOM" is the theme of the annual Religion-In-Life Week, which opens November 16.

Among the speakers scheduled to participate are Dr. Winfred Overholser, superintendent of Saint Elizabeth's Hospital, and Peter von Zahn, American correspondent for the largest German radio network.

Dr. Overholser will speak November 21 at 9 in psychology 151. Dr. Overholser has been professor of psychiatry at the University School of Medicine since 1938. During the war he served as adviser to the Selective Service System and received the Selective Service Medal from the United States in recognition of his services.

He is a past president of the American Psychiatric Association and a member of the Advisory Committee on Criminal Law of the American Law Institute. Dr. Overholser is also editor-in-chief of the Quarterly Review of Psychiatry and Neurology and a member of the National Board of Medical Examiners.

### International Health Congress

In August, 1948, Dr. Overholser was chairman of the U. S. delegation to the International Congress of Mental Health in London and in 1950, he was elected vice-president of the world Congress of Psychiatry in Paris.

The author of several books in the field of psychiatry, Dr. Overholser is also the recipient of the 1954 Distinguished Service Award from the Department of Health, Education and Welfare.

November 19 at 10 a.m., Dean Elmer L. Kayser's European history students will hear Dr. von Zahn, Washington correspondent for the North West German Radio corporation, the largest German radio network. Dr. von Zahn also has a television program which is filmed monthly.

### Correspondent To Russia

In 1942, Dr. von Zahn went to Russia as a war correspondent where he acquired knowledge of the Russian and Ukrainian ways of life. Since the summer of 1945, he has made regular broadcasts and has helped to develop the network, which has studios in Cologne, Hamburg, Hanover and Berlin. His visit to America is prompted by the desire to give the German public an accurate picture of the United States.

The lectures are open to all interested students.

## Union Council Holds Meeting

• THE NEWLY chosen Student Union board held its first meeting yesterday in the Union.

Bob Shuken, Student Council Student Union chairman, heads the board. Serving under him are Earl Smith, Ron Lubman, Harold Bergem, Bob Lipman, Jeannette Robbin and Reva Rosenberg.

Discussion at the first meeting covered improvement in the Union cafeteria and re-assignment of student activities offices in the Student Union annex.

The board's activities will depend to a great extent on student suggestions, Mr. Shuken reported. Suggestion boxes are located in the manager's office and on the second floor of the Union.

Among Mr. Shuken's plans for the coming year is the scheduling of a regular monthly meeting with the management of the Union cafeteria, in an effort to secure constantly improving menus and service.

## Panhel Promotes Fall Fashion Show

• IN AN EFFORT to benefit the University's music program, the Panhellenic Council is promoting a fall fashion carnival, to be presented in Lisner auditorium at 2:15 and 8 p.m. tomorrow.

The fashion show is sponsored by the National League of American Pen Women. Mrs. Sherman Adams, wife of the Assistant to the President, is among the patronesses. Others are Mrs. Arthur Summerfield, wife of the Postmaster General; Mrs. Herbert Hoover Jr., wife of the Undersecretary of State; Mme. Thor Thors, wife of the Ambassador from Iceland; Mme. Notowidigdo, wife of the Indonesian ambassador, and Senora de Tello, wife of the Mexican ambassador.

The fashions will be presented by Julius Garfinckel and company. Tickets for University students are available through any sorority

### Hatchet Staff Meeting

• THE HATCHET will hold a general staff meeting tonight at 7:30 in the conference room of the Student Union annex. All HATCHET staff writers, including news, sports and feature reporters, are expected to attend.

member or through the student activities office in the Student Union annex.

Proceeds from Panhel ticket sales will be used for the establishment of a music room in the University library. Each member of the eleven national sororities on campus has been asked to sell two tickets. They will enlist the support of independent women, University employees, faculty members and alumnae groups.

The fashion show background will be the work of local artists. Door prizes will be awarded at each of the two shows.

## Dorm Gives Open House

• FRESHMAN CLUB, NEW freshman women's dormitory at 2107 H street, n.w., will hold open house for all University students from 4 to 6 p.m. Friday.

Open house for members of the faculty was held last week in the eighteen-resident dorm. The Freshman club was the subject of an illustrated feature story which appeared last month in the Washington Post and Times-Herald.

Miss Virginia Sherard is acting as resident director of the club. Miss Sherard, assistant director of veteran's education, is studying for her Ph.D. in counseling and guidance. Sandra Shoemaker, University senior, also lives at the club, assisting Miss Sherard and serving as dorm council adviser.

Vicki Powers is Freshman club president. Serving with her on the dorm council are Elizabeth Clark, Alice Lowe, Terry Peters and Elaine Scamnahorn.

## Carousel Medley Starts '56 Troubadour Concert

• A MEDLEY FROM "Carousel" will open the Travelling Troubadour concert Thursday night at 8:30 in Lisner auditorium.

Under the direction of Dr. Robert H. Harmon, associate University physician, the Troubadour program will feature Broadway show tunes, folk music, sacred songs and several specialty numbers.

On the program will be three costumed folk dance numbers, performed by Tom Pence, Bob Dolson, Charlie Rhodes and Bill Reed.

• The Traveling Troubadours gather on the steps of a MATS plane before leaving on their summer, 1956, trip to Air Force bases in the Atlantic.

Solos and duets by Troubadour soprano soloist Mary Manougian and baritone soloist Paul Hull are also scheduled. Miss Manougian is a professional church soloist. Mr. Hull is a member of the Singing Sergeants, USAF men's chorus.

Bill Dotson, tenor soloist for the Troubadours, will sing "When Irish Eyes are Smiling." Mr. Dotson, a veteran of radio, television and night club work, is currently appearing at the Shoreham Hotel.

Folk music will include such tunes as "Heather on the Hill," "Once in Love with Amy," and a Czechoslovakian folk song. The Lutkin Benediction will be among the sacred selections.

Mrs. Robert H. Harmon is piano accompanist. Her assistants are Jolene Oakes and Bruce Mencher. Assistant director is John Parker, a graduate student at the University.

The concert is a part of the Student Council-sponsored Colonial Program series. There is no admission charge.

### Troubadour History

The Troubadours were organized by the University in 1950 to entertain United States servicemen overseas. This Christmas, for the sixth year, they will tour Military Air Transport Service bases of the Northeast Air Command. Their itinerary includes Prince Edward Island, Newfoundland, Labrador, Greenland and Baffin Island.

It will be the group's thirteenth overseas trip since their first, in the spring of 1950. They have traveled over 149,000 miles, visiting bases in the Far East, North Africa, Bermuda and the Arctic. A trip to Europe is scheduled for the Troubadours next summer.

### Colonial Series Continues

The Colonial Program series will continue with the presentation of the Christmas portion of Handel's "Messiah" in Lisner au-

## Sorority Pledges Use 'Travel Daze' Theme

• "TRAVEL DAZE" will be the theme of the annual sorority pledges' Goat Show, to be presented November 16 at 8:30 p.m. in Lisner auditorium.

The eight-minute skits will be judged on originality, presentation and adaptation to the theme. First, second and third place cups will be presented to the winning pledge classes.

All participating sororities have entered the annual Goat Show poster contest. The posters will be judged on originality and adaptation to the show's theme. The winning poster will be displayed in front of the Student Union and all others will be placed around the campus. The award for the winning poster will be presented at the Goat Show.

The Junior Panhellenic Council

sponsors the Goat Show annually to give sorority pledge classes an opportunity to work with each other and with pledges of other sororities.

Junior Panhel officers are Susan Thayer, Zeta Tau Alpha, president; Bay Carter, Kappa Kappa Gamma, vice president; Sheila McKeon, Delta Gamma, secretary; Pat Pierson, Kappa Alpha Theta, treasurer; Nancy Oldham, Pi Beta Phi, social chairman; Julie Kiesel, Sigma Kappa, historian and Judy Wilson, Chi Omega, publicity chairman.

Other delegates are Toni Yim, Delta Zeta; Elsie Mandis, Kappa Delta; and Gregg Mayer, Phi Sigma Sigma. Tilli Mossesso is Panhellenic advisor and Mrs. Jean Buckley Sullivan is administration advisor.

## Cherry Tree Begins Drive

• THE CHERRY TREE, University yearbook, will open its fall sales drive November 19.

The books will sell in the Student Union for \$6. The annual is not included in this year's Campus Combo.

Business manager Jack Hotelling plans a sales promotion contest among University fraternities and sororities as one facet of the campaign. The fraternity and sorority with the highest percentage of active members and pledges buying books will receive two pages of candid photos in the finished book.

In addition to the Union booth, special Cherry Tree sales booths will be open at designated hours in the Schools of Pharmacy, Engineering and Law.

## Rally, Contest Boost Spirit

• A PEP RALLY and a house decoration contest have been scheduled by Colonial Boosters to generate spirit for Friday night's football game with Richmond.

Fraternities and sororities will compete in the house decoration contest, which will be judged at 2 p.m. Friday. Decorations should be completed by noon, the Booster board has ruled.

The pep rally will begin at 12:30 p.m. Friday on Monroe terrace. It will feature the University cheerleaders and the University band.

Membership in Boosters is still open, the board reported last week. Booster books are available in the Booster office in the Student Union annex at 8 p.m. Wednesday nights.

DR. HARMON

ditorium December 17. The Troubadours will join the University Glee club and the Air Force Singing Sergeants to make up the Messiah chorus.

An annual concert by the Air Force Band and the Singing Sergeants is next on the series. The concert will be presented January 9.

The Student Council will then present the Activities Fair, to be staged February 5. The Fair is designed to acquaint University students with campus organizations and publications.

## New Honorary Organizes For Under-graduate Men

• THE ORDER of Scarlet, a new honorary service organization for undergraduate men, was granted provisional membership by the Student Life Committee Friday after receiving the tentative approval of the Student Council Wednesday night.

Membership in the honorary will be composed of sophomore and junior men who have demonstrated outstanding leadership in campus activities. A 2.5 minimum quality point index will be required, and total membership is limited by the Constitution to thirty.

The group was formed under the leadership of Dr. Don C. Faith, director of activities for men. It is ruled by a board of governors, who determine the

policy and program of the group. Jerry Reinsdorf is chairman of the board of governors. Serving on the board are Ray Garcia, Joe Hince, Jim Newheiser and Edmund Crump.

Mr. Reinsdorf is business manager of the HATCHET and Student Council advocate. Mr. Garcia is Student Council vice-president, president of Old Men and co-

(See SCARLET, Page 10)

## CareerGroup Makes New Appointments

• THE CAREER CONFERENCE Committee held an organizational meeting last week following the selection of Ray Garcia and Edmund Crump as co-chairmen by the Student Council.

The co-chairmen briefly discussed their plans for the spring Conference in their first meeting. Several appointments within the Committee were made, including Warren Barley as facilities chairman; Phyllis Charnley, program chairman; Dick Cook, Earl Smith, and Kitty Maddock, forums chairmen; Lois Cobb and Kathy Blackburn, administrative assistants; and Nick Smart, advertising chairman.

The committee discussed the possibility of expanding the forums to include several more in an effort to cover all of the field of study.

## Job Jots

## Need Girl Who Is 'Jill of All Trades'

• FULL TIME  
• EDITORIAL ASSISTANT — Work with associate editor marking manuscripts for publication. Job 6-9 mos.; possibly permanent. Woman only. \$3400-\$3600.

• MATH GRADUATES — To work on interesting government project. \$3175-\$4525, commensurate with ability.

• READER—Of technical material for a patent office. At least 2 years of chemistry and physics required. Senior or graduate preferred. 6-8 hours per day. \$1.50/hr. Woman preferred.

• RECEPTIONIST — Typist, "jill of all trades"; some French required; some translating if good enough. \$200/month for hours from 9:00 to 3:00.

• SALES ENGINEER—For D. C. area. Will deal with engineers doing custom work on control instruments. \$450 to start.

• TICKET AGENT—For national airline. Hours to rotate between 8:15 a.m. and 7:00 p.m. Some Saturday work. \$322.

• PART TIME  
• REPRESENTATIVES — For shirt company. Nov. 15 to Christmas. Native of Washington preferred. 20 hours a week, including Saturday. \$1.25-\$1.50.

• SOCIAL SECRETARY — To write checks, answer phone, type. Job in Georgetown, 2 hours per day. Salary very good (Afternoon hours).

• STATISTICAL CLERKS — In Arlington. 15-20 hours per week. \$1.25/hr.

• DRIVER—For parking lot in nearby n.w. Must be over 21, have D. C. license. \$1.00/hr.

• VOLUNTEERS — For United Cerebral organization. Will work with Boy Scout troop of handicapped children 1 hour per week. Will teach games, crafts, etc. No remuneration other than psychic—a good deal of that!

• SENIOR INTERVIEWS — Still mainly for engineers, but just wait, liberal arts and Bus. Ad. seniors for there will be some interest in you, too. The schedule for next week for the technically trained include

• WEDNESDAY, NOVEMBER 7 — Hooker Electric-Chemical Company.

• THURSDAY, NOVEMBER 8 — Crosley Avco.

• FRIDAY, NOVEMBER 9 — Bureau of Ships, Vitro Corporation.

• TUESDAY, NOVEMBER 13 — U. S. Patent Office, and University of California Lab. at Los Alamos.

• WEDNESDAY, NOVEMBER 14 — Stromberg-Carlson, Motorola and Curtiss-Wright Aeronautical division.

• THURSDAY, NOVEMBER 15 — Curtiss-Wright Research division, Cutler-Hammer, Inc., and Baltimore and Ohio Railroad, and Dupont.

• FRIDAY, NOVEMBER 16 — U. S. Steel, Arma, and RCA.

## Chairmen Plan Winter Festival

• WINTER WEEKEND will be to basketball what Homecoming is to football, according to co-chairmen Meredith Eagon and Ed Turco.

A "spring Homecoming" in the form of the annual Winter Weekend is scheduled for February 8 and 9. Sorority and fraternity house decorations will be judged February 8, beginning the winter carnival. The Mardi Gras masquerade ball will be held Friday night.

Saturday afternoon, February 9, features a jazz concert. That night the Colonials meet William and Mary in basketball.

The King and Queen of the Mardi Gras Ball will be chosen individually this year. Last year they were chosen as a couple. They will be crowned at the Ball they were chosen as a couple, and presented trophies at the game Saturday night.

The Winter Weekend committee will hold an organization meeting tomorrow at noon in the conference room of the Student Union annex. The meeting is open to all prospective committee workers.

## On Marriage

• A SERIES OF five seminars on courtship and marriage, sponsored by Hillel, will open November 13 at 8:30 p.m. in Hillel house.

Rebecca Leeds and Irwin Hecker, co-chairman of the series, have scheduled the first seminar "The Psychological Aspects of Dating", to be led by Dr. Julius Schreiber, psychiatrist, next Tuesday.

On December 18, Mrs. Eva M. Johnson, assistant professor of psychology at the University, will speak on "Who Not to Marry".

Rabbi Aaron B. Seidman, director of the B'nai Brith Hillel Foundation at the University, will speak February 12 on "The Jewish Wedding Ceremony — A Modern Analysis". A film and discussion will follow.

"Building a Successful Marriage" will be the subject of the seminar led by Patricia Schiller, marriage counselor for the Legal Aid Bureau, in March.

Mary Haworth, internationally syndicated newspaper columnist on human relations, will speak at the final seminar on "Some Answers to Many Questions: A Summary of Case Histories," April 9.

## Engineers' Council Forms Ethical Code

• PLANS ARE UNDERWAY to form a student code of ethics for engineering students, according to Howard Davis, president of the Engineers' Council.

Mr. Davis said that the code will be similar to codes of professional organizations. Among the principles to be stressed are scholastic proficiency, honesty, individual industry and responsibility to fellow students.

Plans are also being made for the annual Christmas tree lighting ceremony, sponsored by the engineers, and the spring ball and banquet, which is open to all University students.

The Council, formed as a sub-council in the School of Engineering, co-ordinates and augments the activities of the various engineering societies and fraternities. It publishes Mecheleciv, a forty page engineering magazine which appears six times a year, and the Engineer's Guide, a handbook for new engineering students.

As an aid to engineering students, the Council assists with registration, sponsors an annual mixer and provides weekly movies and lectures on professional topics.

## Art Club Schedules Activities For Year

• THE ART CLUB chose new officers and planned the year's activities at a meeting October 17.

Theodore McCann was elected president; Robin Rule, vice-president; Nancy Ann Davis, secretary and Jean Lokerson, treasurer.

Among the club's program plans for the coming year are films, lectures, tours of local galleries and visits to local theater productions. As in past years, the group will sponsor art exhibits held in the University library and the art forum at the annual Career Conference.

One of the club's major proj-

## Gypsy Dance Attracts 250

• MORE THAN 250 students danced to the music of Tom Conlon's band last Friday night at the "Romany Rendezvous" in the Student Union.

Transformed into a gypsy setting by the decorations of Tilli Mosesso, the Union sported candle-lit tables, gypsy fortune telling panels and astrology charts. The gypsy atmosphere was carried over from the Big Sis "Gypsy Smorgasbord," which preceded the dance. Hostesses for the evening were members of Big Sis.

Intermission featured Maryland University coed Jackie Traten, a Miss Washington semifinalist, who sang "Whatever Lola Wants" and "Autumn Leaves." Official hostesses for the dance were Bev Borden and Dottie Mansfield.

Sponsored by the Columbian College, under the direction of its Student Council representative, Sandy Shoemaker, and the Student Council, represented by Council activities director Doris Rosenberg, the affair was the third in a series of Friday night social dances. The next social dance will be held November 30 and will be co-sponsored by the School of Government, under its Council representative, Tom Smith.

ects is making posters for campus organizations. Miss Davis is chairman of arrangements for the program, which is offered to all University groups.

## Latest Totals Show 35 Girls Pledge In Informal Rush

• CURRENT RESULTS OF informal sorority rush show a total of thirty-five girls pledged as of last Friday, according to the office of the director of women's activities.

Beatrice Aboltins pledged Kappa Delta; Frances Adams, Pi Beta Phi; Tania Akhounin, Pi Beta Phi; Joyce Baggett, Delta Gamma; Janice Bennett, Kappa Delta; Andreea Brown, Kappa Kappa Gamma and Janet Brown, Chi Omega. Also, Kathy Crouch, Delta Gamma; Nancy Davis, Kappa Delta; Elizabeth Dittenhafer, Pi Beta Phi; Sandy Dunlap, Chi Omega;

## 'Girl Crazy' Tryouts

• PRELIMINARY tryouts for the University Players' production of "Girl Crazy" will be held at 7:30 tonight in Lisner auditorium. Tryouts are open to all University students.

Nancy Folliard, Delta Gamma; Janet Glenn, Zeta Tau Alpha and Lynn Granger, Sigma Kappa.

Also, Patricia Grandy, Kappa Delta; Rebecca Hanzl, Kappa Kappa Gamma; Pat Harrison, Kappa Alpha Theta; Marilyn Hoffman, Kappa Delta; Jean Jacobs, Zeta Tau Alpha; Patricia Kallis, Delta Zeta and Elaine Lam, Pi Beta Phi.

Also, Cece Le Sturgeon, Pi Beta Phi; Alice Jane Lowe, Delta Zeta; Jan Martinez, Delta Gamma; Sally Pyne, Kappa Alpha Theta; Dolores Palmer, Sigma Kappa; Betty Ross, Sigma Kappa and Penny Reid, Delta Gamma.

And Carol Shewbridge, Sigma Kappa; Mildred Stipe, Kappa Delta; Patsy Tallman, Pi Beta Phi; Janet Tidwell, Chi Omega; Maria Touceda, Kappa Alpha Theta; Vivia Vooser, Delta Zeta and Ann Wentworth, Kappa Alpha Theta.

## Poll Gives Opinions About 'Who's Who'

• QUESTION: THE Student Life Committee is in the process of choosing students for Who's Who Among Students in American Colleges and Universities. Do you believe that Who's Who should be continued as it has been done in the past, always filling the quota; should better people be chosen, or should Who's Who be discontinued completely?

Chuck Forbes—Who's Who should be continued but a different method should be set up for the selection of members. I believe there may be partisanship on the part of the Student Life Committee, and a fairer method

should be developed.

Toy Chan—Who's Who should be eliminated because no top accredited schools belong to it; therefore, Who's Who does not add to the stature of this University.

Nancy Bealle—Who's Who should have a better group of people chosen because the name implies that the individuals chosen are extremely outstanding in many phases of the University. Therefore I cannot believe that just "filling the quota" would necessarily mean that outstanding members are selected.

## Different Opinions

Pat Stanner—I think Who's Who should take people fulfilling the qualifications of what Who's Who stands for, regardless of whether the quota is filled or not.

Jeanne Barnes—There are enough outstanding students on campus to fill the quota. Therefore they should all receive the recognition.

Jim Lay—There should be more selectivity in Who's Who in order to mean something to those who get in. Few big, traditionally well-known schools are in it. By selecting fewer members it will add to the status of the organization.

Earl Smith—I believe that the school should continue to select a Who's Who! This organization has great potentiality of becoming a more highly esteemed national group. However, I do believe selection of members should be conducted on a very selective basis rather than just for the purpose of filling a quota. The latter method could lead to a loss of prestige for the group.

## Big Sis Fetes Little Sisters

• BIG SIS HELD a Gypsy Smorgasbord last Friday night from 7 to 9 o'clock in Lisner lounge, following up the organization's fall orientation program.

Little sisters were guests of their big sisters at the potluck buffet. Special guests were Miss Virginia Kirkbride, director of activities for women, and her assistant, Mrs. Jean Buckley Sullivan.

Rosalind Hauk, president of Big Sis, introduced the speaker for the evening, Charles Campbell, director of British Information Services. Mr. Campbell recounted experiences with British Information Services and ended his talk with a brief comment on Anglo-American relations.

The smorgasbord was the final event of the Big Sis fall program. Morna Campbell was arrangements chairman. Assisting her were the members of the Big Sis board, Pepita Lasalle and Meredith Eagon.

After the dinner, big sisters hosted at the social dance in the Student Union. The theme of the dance, "The Romany Rendezvous," followed up the gypsy atmosphere of the smorgasbord.

## Dance Stars 'Li'l Abner, Daisy Mae'

• SADIE HAWKINS DAY is fast approaching.

The University's annual Sadie Hawkins square dance will be held November 14, 8:30 to 11:30 p.m., in building J. Bob Daniels and his Noveleers will play for the dance, with calling by Maurice Flowers.

Highlight of the evening will be the selection of the University's 1956 "Li'l Abner and Daisy Mae." All campus organizations have been asked to nominate a candidate for the contest, which will be judged by three faculty members.

As in past years, the candidates will be requested to attend the dance dressed as the actual comic strip characters. They will be judged on the basis of their resemblance to cartoonist Al Capp's Li'l Abner and Daisy Mae.

## Handbook Editor Plans 2 Sections

• WILL HINELY, newly appointed editor of the Student Handbook, plans to divide his 1957 edition into two sections.

The first is to include an outline of general services and a short history of the University. The second section will include information about University organizations and activities.

Mr. Hinely has chosen Kyler Craven as his business manager. Other positions on the Handbook remain unfilled, and prospective Handbook staff members may contact the editor.

Although he anticipates little change in the information contained in the Handbook, Mr. Hinely plans to include an index to the material, and to have the book punched for standard notebook binders, making the book easier to keep and to use. He plans to change the color of the cover, possibly to buff and blue.

## Enosinians Discuss Presidential Issues

• THE MAJOR ISSUES of the Presidential campaign were discussed and debated by the Enosinian Debating society last Thursday night in Monroe 101, with Eugene Lambert presenting the Democratic case and Edward Felegy the Republican.

The debate, moderated by Edwin L. Stevens, associate professor of speech, opened with a ten minute speech by Mr. Lambert, in which he attacked the Republican administration of the past four years. He argued a loss of world leadership, especially in the Middle East, decline of small business, poor farm policy and government mishandling of the Dixon-Yates project.

### Republican Case

Mr. Felegy was then given opportunity to cross-examine Mr. Lambert for five minutes, after which he presented the case for

the Republicans. He argued that the Republican administration had made major strides in foreign policy, with no commitment of American troops to the field, general economic prosperity, with the gross national product reaching a new high in social legislation, with a soil bank program to aid farmers and bills increasing social security benefits; and in the development of national resources, with power projects such as the Dixon-Yates.

### Cross-Examination

Mr. Felegy was then cross-examined for five minutes by Mr. Lambert, following which both had five minutes for rebuttal.

The speakers then answered questions addressed to them from the floor. An informal poll of the audience showed twenty-five students favoring Eisenhower and seventeen favoring Stevenson.

## Chicago Students Attend 4 Courses Thru Television

• RESIDENTS OF CHICAGO are now able to attend college classes via television.

Through a new program, designed to alleviate the problem of rising college enrollments and the resulting lack of classroom facilities, students may earn credit for four courses offered on WTTV, which is owned by the non-profit Chicago Education association.

The first series of programs offered four courses: English, political science, biology and social science. Viewers could take one course or all four, for credit toward an Associate in Arts degree.

An article about the "TV college" in the current issue of TIME magazine calls the program "a way to present top academic talent to a wider audience and help relieve the nation's classroom and teacher shortage."

**JULIE ANDREWS** says:

*"Verily, a Professor 'Iggins  
among magazines!"*

Julie Andrews, twenty-one-year-old British girl, plays Eliza Doolittle in the sensational Broadway success "My Fair Lady"—a musical adaptation of George Bernard Shaw's "Pygmalion."

**Q.** Miss Andrews, had you ever been away from your family before you arrived in this country two years ago?

**A.** Never, and I still become dreadfully homesick. But I do talk with them several times a week.

**Q.** By phone?

**A.** No—by phonograph. We talk into recording machines, and airmail the records. They are so clear I can even hear my brothers arguing in the background about whose turn is next. It is as if we were all in one room.

**Q.** You never exchange the usual kind of letter?

**A.** Very seldom, I'm afraid. But we post back and forth bits of particular interest—like newspaper reviews, and favorite articles from *The Reader's Digest*.

**Q.** Just the Digest?

**A.** Oh, no, there are others sometimes—but the Digest is our magazine. Mummy and Daddy have always read it, and I began when I was twelve, playing music halls. I had to miss school, and my teaching governess went through every issue with me on the run. It was part of my lessons.

**Q.** Do you still read it on the run?

**A.** Oh, yes—waiting for assignments, waiting for buses, even waiting for curtain cues. I hope I never have to be without it. When I wish to be amused, the Digest amuses me; and when I need to be scolded or instructed, I can always find an article that talks to me like—

**Q.** Like a Dutch uncle?

**A.** No, much more delightfully—more like Professor 'Iggins in "My Fair Lady" showing a new world to Eliza Doolittle.

In November Reader's Digest don't miss:

**CONDENSATION FROM FORTHCOMING BOOK: "THE ONE THAT GOT AWAY."** The all but incredible story of Nazi fighter pilot Franz von Werra—how he broke out of a British prison camp, audaciously attempted to steal a plane... and finally did escape.

**REBELLION AT POZNAN.** Here are eyewitness accounts of the June uprisings that may be a preview of the eventual end of the Communist empire.

**TWO-EDGED DAGGER OF YUSOF HUSSEIN.** Eerie experiences of a British officer in the Red-infested jungles of Malaya.

**THE ANDREA DORIA'S UNTOLD STORY.** Heart-rending drama of Dr. Peterson's futile 5-hour struggle to save his wife—pinned under wreckage in their stateroom—as the giant liner slowly sank.

**ARE YOU A BORE?** I. A. R. Wylie shows ways we unwittingly bore others, and how to make yourself more interesting.

**WHY THERE CANNOT BE ANOTHER WAR.** Pulitzer Prize-winner William L. Laurence tells why, in the awesome light of an exploding H-bomb, one thing stands clear: thermonuclear war means certain suicide to the aggressor.

# Reader's Digest

Its popularity and influence are world-wide

by Hester Heale

by Hester Heale  
 • HEIGH-HO, "chaps! That time of the year has come again when profs for sinister reason I have yet to fathom start giving exams. Oh, study! Oh, grind!

But with it all I report that you stalwart people have not let even this menace interfere with social life. Brave souls!

Exchanges have come hard and fast. The Kappas enjoyed a very refined cocktail party at the SAE house. The girls received corsages of white carnations with their Kappa colors of light and dark blue.

Another recent Kappa exchange with the Deltas resulted in a small political rally with a bunny-hop line through PIKA house. Delt Sandy Morrison gave forth with a political oration to keep up the spirit of the thing.

Other Delt exchanges recently included a rip-roaring exchange with the Delta Gammas. This one didn't bring forth another rally, but much fun was had by all.

The DG's social schedule this week also included a coffee hour with the Phi Sigs. Some game known as "Field Day" was played and Phi Sig pledge Chuck Johnson seems to have lost.

The Phi Sigs and the ZTAs also had a rip roaring exchange one mad Friday night, with lively games of Indian signs, and bopping highlighting the evening.

Saturday night the boys celebrated Hallowe'en with the crew turning up in a wide variety of dress. Some came in formal attire, and then there was pledge Buddy Rea, dressed as an "angel," with date Pi Phi "angel in disguise" Linn Ray with a batch of medals.

Meanwhile, down on G Street the Pikes also were celebrating Hallowe'en, with Witch Crowning ceremonies. Pretty Betty Shanks, dressed as a devil, was crowned Witch of the Year, and received a witch cap and a bottle of champagne. Second place went to Michele Thaden. Others seen at the blast were Zeke Dillon and

Pat Kallis, DZ pledge, Bob Bell and Kitty Axtel, Vincente Metallo and Carol Hesse, Bill Scarrow and NEDRRA (?), Ed Creele and Marilou McCormick and Dan Gilham and Ginger-Thomas.

The SPEs also were blasting away with "Cards and Gunthers" as the theme. Important Announcement: Petitions are now being accepted for Honorary SPE Housemother.

Over at the TKE house Saturday night festivities included a rousing game of Indian signs led by Big Chiefs Bill Dorsey and Bob Wardig, with able assistance from the "All Girl Indian Sign Giver" Jean Fassett (ZTA). Also helping were Dick Ames and Ellen Miller, Larry Ames and ZTA pledge Janet Glenn, Walt Johnson and Charlotte Watson. During the evening, Chick Chandler got pinned to Emma Kontos.

And speaking of pinnings . . . ZTA Betsy Day is pinned to TKE Jim Miles; Sigma Chi Vern Yates is pinned to Patty Forman. Marilyn Rudden is engaged to TEP Lennie Shapiro, and alum Percy (See FOGGY, Page 7)

## Queen Cece Collects Beauty Titles, Recalls Thrill of Regal Coronation

by Ariene Gordon

• "I WAS SO COMPLETELY overwhelmed and excited that I felt that I was walking around on a cloud!" said Cece LeStourgeon, recalling the thrill she experienced when she was named Homecoming Queen of 1956 at the Homecoming Ball. Cece declared the thrill of the moment that she received this honor was made even greater because the man in her life, Joe Hince, was the one who placed the crown on her head.

Entering beauty contests is no new role for our Queen. Earlier this year she was PIKA's Shipwreck Queen and was also in the PIKA Dream Girl Court. And when she's not being proclaimed for her beauty, Cece is often applauded by audiences for her skill in dance. Cece is assistant manager of the Dance Production groups and has appeared in almost "everything to do with dance" since she first came to the University. But dance, which is her main interest, does not consume all of this lovely miss' time; she is also president of the Pi Beta Phi pledge class, representative to the Dorm Council, publicity chairman of this year's Combo, a member of the GWU players and a participant in the All University Follies. Cece also appeared in the fashion show last year. Her spare time, "if there is any," is devoted to semi-classical music, ballet and sewing.

Cece, the daughter of a retired Army officer, was born in Lexington, Kentucky, but "two weeks later we were transferred and

CECE LESTOURGEON

have been on the move ever since," as is evidenced by the fact that she has attended fourteen schools! She has lived all over the country and, particularly in the South, but "ever since we moved to Media, Pennsylvania, I've been a confirmed Yankee."

Two summers ago our Queen

was in Europe engaging in one of her many hobbies—traveling. Two places which most stand out in memory are Heidelberg and Venice ("as long as it's not the rainy season") and like most tourists she "fell madly in love with Rome and Paris." Cece felt that the "best part of the whole trip" was her experience in "hostelling." For those of you who are uninitiated in world travel, hostelling is bicycling through a country, spending the nights at large inns where there are big dorm-like rooms provided for the travelers. While hostelling through the Loire Valley in France, Cece met many young people of different nationalities who spoke various languages, but "we all got along together and got to know each other very well," she added.

Cece says that the best decision she ever made was "to come to G. W.," which she feels is a "large school with a small-school atmosphere." A senior majoring in sociology she plans either to go into social work or retailing and, of course, marriage is in her future.

## It's rhyme time! With a fresh batch of

# Sticklers!

STUDENTS! MAKE \$25

Do you like to shirk work? Here's some easy money—start Stickling! We'll pay \$25 for every Stickler we print—and for hundreds more that never get used. Sticklers are simple riddles with two-word rhyming answers. Both words must have the same number of syllables. (Don't do drawings.) Send your Sticklers with your name, address, college and class to Happy-Joe-Lucky, Box 67A, Mount Vernon, N. Y.

WHAT'S THE LATEST thing in college clothes? Packs of Luckies, naturally. So if you've got a pack in your pocket, you're right in style. That explains the answer to the Stickler—it's *Dapper Wrapper!* Luckies are always in good taste because they're made of fine tobacco—light, naturally good-tasting tobacco that's **TOASTED** to taste even better. Got a pocket? Stock it—with Luckies! You'll say they're the **best-tasting cigarette you ever smoked!**

"IT'S  
TOASTED"  
to taste  
better!

## Fashion for Music

• FOR MANY YEARS students have felt the lack of a music program at the University. Tomorrow will give some of them a chance to do something about it.

The Panhellenic Council, with the consent of the National League of American Penwomen, is sponsoring two fashion shows, "creative arts benefits," tomorrow at Lisner auditorium.

Panhellenic is selling tickets for more than half the seats in the Auditorium to students, parents, friends and women who work in the University administrative offices.

The proceeds from the sale of Panhellenic tickets will be used to buy records and books for a "music parlor" to be set up soon in Lisner library.

The music parlor in the Library, now in the planning stage, will contain all kinds of records and books in music for the enjoyment and education of the student body. There will be an assistant in the room, a young man or woman with some training in the field of music, to answer questions and give advice or suggestions.

The records, the books and the assistant in the room are the beginning of what is hoped to be a future music program at the University.

Good student attendance at the fashion shows is the best way for the students to show their interest in and their desire for a music program.

The fashion show will be interesting and fun to watch but, more than that, the money that Panhellenic receives will broaden University cultural opportunities and will benefit each student.

## Queen Selection . . .

• A MOTION WAS introduced last week at the Student Council meeting aiming at a change of selection procedure for the Homecoming Queen. If the motion is adopted the selection of the Homecoming Queen will be assured of a selection on a basis of beauty plus personality, the qualities necessarily paramount in a Homecoming Queen, and minus the politicking of the present system.

The motion introduced stipulates that the Queen is to be selected by male judges, students at local universities, on the basis of beauty and personality with no student participation in selection. Proponents of the motion state that under the present system blocks of students vote for their friends, not necessarily because of their qualifications but because they are a member of this group or that. As an illustration of blockvoting, one student bitterly complained on October 26 that "the polls closed before I could get the 190 votes I had stacked up to vote."

Proponents of the motion say activities should not count. The May Queen is the activities Queen; the Homecoming Queen represents beauty plus personality. This group also wants judges unknown to the candidates to eliminate any chance of beforehand acquaintance.

A committee has been appointed to look into the motion and a poll is planned to sample student opinion. We feel that a change back to non-student participation is in order, and we will be interested to learn the reactions of the student body.

## Letter to the Editors

Hillyer College  
Hartford I, Connecticut  
October 24, 1956

Editor-in-Chief

The George Washington University  
Washington, D. C.

Dear Sir:

In your issue of October 16, an editorial and article appeared on the topic "Who's Who?" We are asking permission to reprint in part or in total the editorial.

The Student Life Committee of

Hillyer College will meet in the near future to determine the candidates of the Class of 1957. We consider the comments you have made in the issue of October 16 as worthwhile repeating in one of our forthcoming issues.

We would appreciate a prompt reply. Please return the enclosed postcard as soon as possible.

Respectfully yours,  
/s/ Walter Woodmansee  
Editor-in-Chief

## Council Capers

• AT THE REGULAR Student Council meeting last Wednesday, Ed Crump asked the Council to approve the formation of a new campus organization to be known as "The Order of Scarlet." As stated by Mr. Crump, the purpose of the group will be to accord recognition and prestige to male undergraduate students, mainly sophomores and juniors, for meritorious work in student activities. The Board of Governors of the society is composed of Mr. Crump, Ray Garcia, Joe Hince, Jim Newheiser and Jerry Reinsdorf. Dr. Don C. Faith is faculty adviser. The Council approved the organization and passed it on for review by the Student Life Committee.

Ray Kline, Law School representative, moved that a committee be set up to investigate the feasibility of having campus organizations, as specified by the Student Council, report at intervals to the Council regarding their activities. Mr. Kline stated further that, if such plan is found acceptable, a schedule should be devised whereby no more than two groups would report at a regular Council meeting. Acting on this motion, President Joe Hince appointed a committee headed by Mr. Kline and consisting of Betsy Evans, Junior College representative, and Kathy Denver, program director, to look into the matter.

Another motion by Jerry Reinsdorf, advocate, stated that the Homecoming Queen should be selected on beauty and personality only, and that those judging the Queen be four male students from neighboring universities who do not know the candidates. This motion was tabled and Mr. Hince appointed a committee consisting of Mr. Reinsdorf as chairman, Jim Newheiser, comptroller, and Tony Lane, School of Engineering representative, to investigate the motion.

Student Union chairman Bob Shuken presented the new Student Union Board, which was approved by the Council. On the board are Harold Bergman, Bob Lipman, Ron Lubman, Jeannette Robbin, Reva Rosenberg and Earl Smith.

Doris Rosenberg, activities director, announced that the Sadie Hawkins square dance will be held on Wednesday, November 14. All organizations are invited to sponsor candidates for Li'l Abner and Daisy Mae, who will be selected by three faculty members at the dance.

Miss Denver announced that the Traveling Troubadours will present a concert in Lisner auditorium Thursday at 8:30 p.m.

## Dorm Prowler Finally Found

• AUSTIN, TEXAS (ACP)—It's taken nearly a year, but the *Daily Texan* has finally made public the story of the University of Texas' mysterious dormitory prowler. Here's the way they tell it:

It was one of those cool November days last fall, close to the Thanksgiving holidays. Girls at one of the campus dormitories listened to radio reports of a patient's escape from the Austin State Mental hospital, laughing, discussing and then discarding them.

About 6, one of the girls, dressed in levis, a man's white shirt, with her head wrapped in a bandana, stepped from her second-story room onto the porch roof to dry her freshly washed and rolled hair.

On impulse, she ran across the roof and tapped on one of the windows in the opposite wing. The girl who was studying at the desk by the window dropped her book and ran down the hall screaming "Crazy man" . . . a cry which soon spread over the entire second floor.

The girl on the roof had just ducked back into her room when the housemother came running. Quieting the hysterical girls, she called the police.

Night found the rooms along the south porch deserted, with girls crowded six deep in the north rooms. That is, all except the girl with the rolled-up hair and her equally brave roommate.

## Former Editors Look At Fraternities, Who's Who

by John and Sue Scott Stockton  
• TIME WAS (as a matter of record, the time was around 2 a.m. any Monday morning) when we as EDITORS, sat sleepily in the HATCHET cubicle reading Max Shulman's ads in advance, sipping leftovers from Sunday's fraternity exchanges, and waiting—waiting for the editorial inspiration to strike us. We were oracles in those days, and the HATCHET our tongue.

The point of all this palaver? Merely that we are nothing, now—we have been asked, out of friendship, high regard for our ability or too much empty space in this current issue, to pen again for the HATCHET. Our ravings passed unread in the "old days," true, but the knowledge of this made martyrs of us; we uttered the phrase "student body" with an iconoclastic sneer; the elite (the rest of the staff, Professor Willson and our target-of-the-week) read us—they cared; Now the thought that we may go unread, and worse still, unrecognized, fills us with trepidation. The descent from Big Men on Campus to Small Men on Planet has ripped our egos asunder. But we write—"Change and No Change on the Old Campus."

## CHANGE

Six rabid Colonial alumni approach the gate at Griffith Stadium, clutching borrowed activity books for the Hardin-Simmons game. The long-nosed leader of the pack, flourishing a huge binocular case wherein the group's antifreeze is cleverly concealed, answers his wife testily:

"Of course it's all right, honey—I printed that same notice, my sports editor before me printed it, and his sports editor before him printed it. They never check activity books at the gate!"

The long arm of the National Detective Agency appropriates his book.

"Name?"

"Etaoin Shrdlu."

"Address?"

"(Foggily) "Dunno"—(rebounding quickly) "we just moved!"

"Got any identification?"

"Naw. Who are you anyhow—Sam Spade?"

Our vignette ends as the three girls odd-man sorrowfully for the privilege of buying six grandstand tickets.

## NO CHANGE

In a more serious vein . . . Two issues which haunted us for several years have cropped up again: the selection of students to "Who's Who" and delayed rush for fraternities. This year's HATCHET, we think, has presented these issues fairly and with clarity, and we wholeheartedly support their convictions.

As members of "Who's Who"

and ex-members of the Student Life Committee, the body charged with the selection of students to "Who's Who," we were and are disappointed that the methods and standards of selection are so unjust. Our arguments are essentially those that you have seen outlined in this paper. Why participate in "Who's Who" at all if the purpose of this participation is only to bring renown to the University instead of to the individuals selected? Why accord the honor to students not deserving it, merely because the University wants to fill its quota of thirty-five students? If only five leaders merit selection, select only five. The Student Life Committee of our days followed this line of reasoning, yet they were continually over-indoctrinated and over-ruled by the faculty. Why not include juniors, as "Who's Who" rules permit, if they are more outstanding than some of the senior applicants; why not leave the selection solely to the students, through the committee? Perhaps the faculty can answer these questions more successfully this year.

Delayed rushing for fraternities is the other side of the coin; the faculty would approve it, but the students are against it. One of your reporters did not pledge until his sophomore year, and is more positive now than ever that the move was for the best. It is generally recognized that this system, that of no pledging during a new student's first semester, produces less "Holdover Harrys" and fewer failing grades, yet fraternity men at the University have been and are still against the plan. Perhaps they shy away from the loss of income for a semester; brotherly love hinges to a great extent on brothers' billfolds. Certainly the lack of one semester's pledge class could not affect a chapter's future greatly, as all chapters would be suffering a proportional cut in manpower. If the program were initiated in mid-year, the loss would be minimized, as spring rush groups are small, yet large enough to bolster the chapters the following fall. Potential fraternity men, unlike bachelors, would not easily become set in their independent ways in one short semester, for one needs spend only a week or two around campus to realize that fraternity life affords many and varied benefits. The men would have a longer and less influenced period of time to observe fraternities in action, and the chapters would strengthen themselves in the long run by the addition of men with a more solid footing.

Ensign and Mrs. Stockton served as members of the HATCHET Board of Editors in 1953-54 and 1954-55, respectively.

## LITTLE MAN ON CAMPUS

by Dick Bibler

# Virginia Kirkbride Aids Women Students, Works Towards PhD

• AS A WOMAN WHO says, "Friendliness is the keyword at G. W.," Miss Virginia R. Kirkbride, director of women's activities, is a perfect personification of this trait.

Always seen with a ready smile and a friendly word, Miss Kirkbride might be considered an advisor to all women students at the University, for it is her job to work with them.

Under her jurisdiction comes women's housing, group counselling and individual counselling. She has to see that every full-time woman student under 21 years of age, if not living in one of the dorms or

## Peppy Girls Keep Students Cheering

by Bunny Miller  
• THE 1956-57 CHEERLEADING squad is a big factor in the growing school spirit at the University. Led by peppy captain Helen Niles the nine girls are doing an effective job of keeping the students cheering at games and of upholding enthusiasm between games.

This year's squad is composed of three permanent members—Inez Tonelli, Loydell Jones and Bev Alexander, who have been on the squad for two or more years and have thus become permanent members for the rest of their school career—and Sandy Reedy, Morna Campbell, Joanne Phelas, Sandra Monti, and Connie McDavitt. These last five girls are new this year and must undergo the annual judging for squad cheerleaders again.

Team Raises Spirit  
Helen Niles, squad captain, feels that the spirit of the school

at home, is living in a house approved by the University.

Also under her direction is the Women's Coordinating Board which has on it a representative of every women's group on campus.

The facilities of the Women's Activities Office, which is situated on the second floor of Woodhull house, are always open to girls who need personal or social advice. "We do everything we can for the full-time students," remarks Miss Kirkbride, "and also everything possible for the part-time student, who should make an appointment if she needs any guidance."

### Part-time Student

Miss Kirkbride herself is a part-time University student. She is currently working for a doctorate in education, with a major in student personnel. Her supporting fields of study are psychological measurement, counselling and guidance, the history of education and administration.

In addition Miss Kirkbride, together with Dr. Don Carlos Faith, director of men's activities, is in charge of the student activities office. She and Dr. Faith advise the Student Council, also.

A native of Nebraska, Miss Kirkbride received her B.A. and

M.A. in education at the University of Nebraska. She took several predoctorate courses at Columbia University. In 1943 Miss Kirkbride came to the University as a teacher of secretarial studies, and has been director of women's activities since 1944.

### Interest in Students

"I don't feel that I have given up teaching," remarked Miss K. as she is affectionately called by many. "Actually my job is teaching in a broader sense of the word. I have such an interest in students and feel this is an opportunity to do more work with them."

"This job is not a nine to five one. But I get so much pleasure out of it that I don't mind the extra hours. I thrive on it!" she said enthusiastically.

Her greatest sense of pleasure comes in seeing the individual development of leadership in students and feeling that they have "benefited from our counselling and guidance."

For relaxation, when she is not reading books on education, Miss Kirkbride enjoys the theater and music. She also likes to visit New England and the Smokies, and thinks the far West is "just beautiful."

## FOGGY

(Continued from Page 5)  
Palmer, KAT, was married to Sigma Nu Art Savage last week. Pi Phi Elva Schroebel got pinned to a West Pointer (class of '58) over the Army-Columbia weekend in New York. Very unusual pin—white gold instead of the usual yellow. "He likes to be different."

News from the Sailing Club . . . Jane O'Brian finally skipped in the Sunday interclub sailing at Buzzard Point. Congratulations, Jane. We knew you could do it! Other sailors on the ship were Ed Reynolds, commander, and wife Kathy, Rick

Davis, Pete Gianukakis and Sig Ep Rush Queen Ann Campbell.

Of increasing social note are the lively luncheons held in the Union by Lillemore Spitzer Crehore, Mary-Louise Feeny and Mary Dow.

I want to thank, publicly and openly — in print, no less! — the nice people who fill my little box with goodies. Would like to ask more of you to follow suit. And when you do write up your little items to fill my life, please get the spelling of names right and print them so that I too may know the proper spelling of the name of the person who jumped from the third floor of government in protest to a poli-sci lecture.

## A GUIDE FOR THE UNMONEYED

R. L. Sigafos was a keen, ambitious lad, and when he finished high school he wished mightily to go on with his education. It seemed, however, a forlorn hope. Crop failures had brought his father to the brink of disaster. (R. L.'s father raised date palms which, in North Dakota, is a form of agriculture fraught with risk.) Nor could R. L.'s mother help; she had grown torpid since the death of Rudolph Valentino.

R. L. could go to college only if he worked his way through. This was a prospect that dismayed him.

...I gave fencing lessons to the Dean of Women...

Racked with misgivings, R. L. paced the streets, pondering his dilemma. One day, walking and brooding, he came upon a park bench and sat down and lit a Philip Morris. (There is no occasion, happy or sad, pensive or exuberant, when Philip Morris is not entirely welcome, as you will discover when you go to your favorite tobacco counter and buy some.)

R. L. was suddenly interrupted by a small, quavering voice which said, "My boy, you are troubled. Can I help?"

Seated beside R. L. was a tiny, gnarled man with wispy, snow-white hair. His skin was almost transparent, showing a delicate tracery of fragile bones beneath. His back was bent, and his hands trembled. "Do you think, sir," said R. L., "that a boy can work his way through college and still enjoy a rich, full campus life?"

"Why, bless you, son," replied the stranger with a rheumy chuckle, "of course. In fact, I did it myself."

"Was it very hard?" asked R. L.

"Yes, it was hard," the stranger admitted. "But when one is young, all things are possible. I, for example, used to get up at five o'clock every morning to stoke the furnace at the SAE house. At six I had to milk the ewes at the school of animal husbandry. At seven I gave a fencing lesson to the Dean of Women. At eight I had a class in early Runic poets. At nine I gave haircuts at the Gamma Phi Beta house. At ten I had differential calculus. At eleven I posed for a life class. At twelve I watered soup at the Union. At one I had a class in Oriental languages. At two I exercised the mice in psych lab. At three I gave the Dean of Women another fencing lesson. At four I had qualitative analysis. At five I went clamming. At six I cut meat for the football team. At seven I ushered at the movies. At eight I had my ears pierced so that at nine I could tell fortunes in a gypsy tea room. At ten I had a class in astronomy. At eleven I tucked in the football team. At twelve I studied and at three I went to sleep."

"Sir," cried R. L., "I am moved and inspired by your shining example!"

"It was nothing," said the stranger modestly, shaking his frail white head. "It was just hard work, and hard work never hurt anybody."

"Would you mind telling me, sir," said R. L., "how old you are now?"

"Twenty-two," said the stranger.

©Max Shulman, 1956

The makers of Philip Morris take pleasure in bringing you this uncensored, free-wheeling column each week during the school year — and also in bringing you today's new Philip Morris, packed with natural tobacco goodness, lip end to tip end.

## Our Blue Blazer

Our very versatile and ever-popular Navy Blazer has long been a campus favorite as well as the Collegians' favorite uniform. Available with or without your own Geo. Wash. Univ. school seal.

39.95

at 36th and N Sts. HU 3-5252

## Alumnus Writes

• TOM BROWN, who graduated from the University two years ago and was president of the Student Council in his senior year, has written from Germany where he is putting his Journalism major to work in an Army Information office. He enclosed in his letter a long clipping from the Army newspaper The Stars and Stripes, about the University's football victory over William and Mary. Mr. Brown says that our football team is getting quite a bit of publicity overseas.

has grown because of the success of this year's team. "The team is so good this year," she says, "that it inspires people to greater school spirit." Helen also added that she feels the University students should repay the team by getting even more spirit and attendance at the games.

Helen also believes the squad has a better spirit among its own members this year. They are working as a unit and more pep rallies are scheduled this year. Inez Tonelli is in charge of the pep rally scheduling and programming, which makes for closer cooperation between the Booster Pep Rally Committee and the Cheerleaders.

### New Uniform

A new feature on this year's squad is the new white uniforms. The cheerleaders are very pleased with their new white skirts and white letter sweaters which they feel are really improvements over last year's buff and blue outfits.

## Four Artists Exhibit Work

• A FOUR-MAN show is on exhibit at the University library this month.

The show, containing prints, paintings and sculpture, is the work of Sergeant Kendall and his wife, Margaret Stickney Kendall, their daughter, Elisabeth, and her husband, Pierson Underwood, Mr.

Underwood is former program director of radio station WGMS.

Mt. Kendall was dean of the School of Fine Arts at Yale University from 1913 to 1922. His work appears in exhibits in the Corcoran Gallery and the National Collection of Fine Arts in Washington. His wife won special distinction as a miniature painter.

Mrs. Underwood is a sculptress and painter of flowers. Her husband is a native of Evanston, Illinois, and a graduate of Yale.

## Dance Group Holds Photograph Contest

• The photograph above illustrates the type of material to be submitted in the Modern Dance council competition.

• THE MODERN DANCE council of Washington is sponsoring a photography contest and exhibition to be held at the Bader Gallery in January.

The photographs, which must be connected with modern dance in the Washington area, are to be submitted to the Bader Gallery this month.

A panel consisting of John F. McLeod, picture editor of the *Washington Daily News*, Larry Jacobs, picture editor of the *Washington Post and Times Herald*, and Walter Wood, picture editor of the *Washington Evening Star*, will select the photographs to be displayed in January.

The University's Dance Production groups will enter the contest, and are now in the midst of se-

lecting five photographs for the competition. Final selection will be made by Fremont Davis, Washington photographer; Evelyn Lohoefer, pianist for the dance groups; Miss Elizabeth Burtner, professor of physical education for women; Mrs. Dianne Gaumer, instructor in modern dance; Lenore Alexander, business manager of the dance groups; and Doris Rosenberg, press publicity manager for the groups.

E.E.'s, M.E.'s, A.E.'s, Math, Physics & Chemistry Majors:

## APL wants graduates eager to accept the challenge of responsibility

The Applied Physics Laboratory (APL) of The Johns Hopkins University is a unique organization. Its professional staff, including both junior and senior members, is allowed a measure of responsibility and initiative much greater than in many other research and development organizations. A stimulating environment where teamwork and individual initiative are fused results in a high degree of creativeness and professional gratification.

For years APL has pioneered: the first proximity fuze, the first supersonic ramjet engine, the missiles TERRIER, TALOS and TARTAR. With a staff of 1275 APL technically directs the Navy's Bumblebee guided-missile program, including the work of 21 associate and subcontractors, among them leading universities and industrial organizations.

### Location & Facilities:

The combined facilities of APL and its contractors provide staff members with an unparalleled situation for advanced research and development. APL's own laboratories, recently completed, encompass 350,000 sq. ft. Their locations in suburban Washington and Baltimore, Md. allow staff members to enjoy suburban, rural or urban living and the manifold cultural and recreational facilities of both cities.

APL maintains a splendid program of staff benefits, including financial assistance for advanced study. Salaries compare favorably with those of industrial organizations. For detailed information on staff opportunities for men with higher-than-average grades contact your Placement Officer or write: Professional Staff Appointments.

# Girl Sharp Shooters Provide Equipment

• THE CHEMISTRY CLUB will meet at 2 p.m. Friday on the third floor of Corcoran hall. The program includes a film on crystal growing and electron tubes and a short business meeting.

• THE STUDENT CHAPTER of AIEE-IRE will hold its monthly meeting at 8:30 p.m. tomorrow in Tompkins 200. William Shrader will give a demonstration of high fidelity.

• THE WOMAN'S RIFLE club will hold practice sessions every Tuesday and Thursday at 12:30, 1:30 and 7:30 p.m. in the basement of Corcoran hall. Instruction, equipment and ammunition are provided.

• PHI SIGMA RHO Philosophical society will present a lecture by Dr. Arthur Hummel, professor of philosophy at American University, at 8:30 p.m. next Monday in Woodhull C. Dr. Hummel's topic will be "Some Differences between Eastern and Western Philosophies." The meeting is open to the public.

• THE HOME ECONOMICS club will sponsor a bake sale between 11 a.m. and 1 p.m. tomorrow in Woodhull A. Proceeds from the sale will be used for a Thanksgiving charity project.

• THE MORTAR BOARD Last Lecture originally scheduled for December 5 will be held November 28. Burnice H. Jarman, dean of the summer sessions, will speak.

• PHI DELTA DELTA legal sorority, Zeta chapter, held a cocktail party October 27 at the home of Cmdr. and Mrs. Mervin Staring. Special guests were members of the local judiciary, faculty members of the School of Law and new women law students.

• KAPPA DELTA announces the following pledge class officers: Janice Bennett, president; Joan Luka, vice president; Pat Grandy, secretary; Janice Beckley, treasurer; Marilyn Hoffman, activities and scholarship chairman; Elsie Mandis, junior Panhellenic Council representative, and Gail Evensen, Goat Show chairman.

• ZETA TAU ALPHA announces the following pledge class officers: Jean Bagramian, president; Muriel Allen, vice president; Joy O'Donahue, secretary; Dorothy Mathyer,

treasurer, and Sue Thayer, junior Panhellenic Council representative.

• THE FACULTY WOMEN'S club will hold a luncheon meeting at 12:30 p.m. Friday in the Army-Navy country club in Arlington. Dr. Bernard S. Duval will speak on "Some Notes on Aloneness." Mrs. O. S. Colclough heads the list of hostesses.

## Lecture Tells Of Rebirth

• THE RENAISSANCE of religion in the present day was the topic of Rabbi David H. Panitz, speaking at University chapel services last Wednesday.

"Men of thought are trying to read the meaning of the events of our time," Rabbi Panitz said. Citing the example of the failure of the Soviet Union to crush organized religion, he declared, "You cannot stifle the religious spirit in man."

Something in the human personality needs what religion offers, he said. "There is something which man has to know but cannot answer." The rebirth of religious spirit in America and abroad, he said, is "a testimony... a witness to that."

"America shall be strong," Rabbi Panitz concluded, "only when she is morally strong."

Dr. Joseph R. Sizoo will speak at chapel services at 12:10 p.m. tomorrow in the University chapel, 1906 H st., n.w.

## '57 Graduate Fund Opens Applications

• THE DANFORTH FOUNDATION, an educational trust fund in St. Louis, has opened applications for the 1957 class of Danforth graduate fellows from college senior men and recent graduates who are preparing themselves for a career of college teaching and are planning to begin graduate school in September.

The Foundation receives applicants from the areas of natural and biological sciences, social sciences, humanities and all fields of specialization to be found in the undergraduate college.

University President Cloyd H. Marvin has named Burnice H. Jarman, dean of the Summer Sessions, as the liaison officer to nominate to the Danforth Foundation two or three candidates for these fellowships. These appointments are fundamentally "a relationship of encouragement" throughout the years of graduate study, carrying a promise of financial aid within prescribed conditions as there may be need.

The maximum annual grant for single fellows is \$1800, and for married fellows, \$2400, with an additional stipend for children. Students with or without financial need may apply.

A Danforth Fellow is allowed to carry other scholarship appointments, such as Rhodes, Fulbright, Woodrow Wilson and Marshall, concurrently with his Danforth Fellowship, and applicants for these appointments may apply at the same time for a Danforth Fellowship. If a man receives the Danforth Appointment, together with a Rhodes scholarship, Fulbright scholarship, or Woodrow Wilson Fellowship, he becomes a Danforth fellow without stipend, until these other relationships are completed.

## Business Club Uses Automation Theme

• AUTOMATION IS THE theme of the fall programs of Alpha Kappa Psi, national business fraternity.

At the opening meeting last night in Woodhull house, Peter James spoke on "Business Data Processing with Electronic Robots." A graduate of Wharton School of Finance and the University of Pennsylvania, Mr. James is research director and digital computer specialist at the applied mathematics laboratory at David Taylor Model Basin in Washington.

He is currently director of a project investigating legal citation searching by electronic data processing techniques, and serves as an owner and consultant of executive management planning services.

"The Effects of Automation on Labor" is the topic of a forum discussion to be held November 28. Louis R. Mobley, assistant director of management development at International Business Machines corporation, will be guest lecturer in December.

### Specialized training program

Earn a regular professional engineering salary as you work on carefully rotated assignments giving you a comprehensive view of RCA engineering. Your individual interests are considered and you have every chance for permanent assignment in the area you prefer. Your work gets careful review under RCA's advancement plan and you benefit from guidance of experienced engineers and interested management. Following training, you will enter development and design engineering in such fields as Radar, Airborne Electronics, Computers, Missile Electronics. For manufacturing engineers, there are positions in quality, material or production control, test equipment design, methods. You may also enter development, design or manufacture of electron tubes, semiconductor components or television.

### Direct hire

If you are qualified by experience or advanced education, your interests may point to a direct assignment. The RCA management representative will be glad to help you. Many fields are open... from research, systems, design and development to manufacturing engineering... in aviation and missile electronics, as well as radar, electron tubes, computers, and many other challenging fields.

### ... and you advance

Small engineering groups mean recognition for initiative and ability, leading on to advancement that's professional as well as financial. RCA further helps your development through reimbursement for graduate study under a liberal tuition refund plan.

### Now... for a longer look at RCA

See your placement director about an appointment with an RCA engineering management representative who will be on campus...

FRIDAY, NOVEMBER 16

Talk to your placement officer today... ask for literature about your RCA engineering future! If you are unable to see RCA's representative, send your resume to:

Mr. Robert Haklisch, Manager  
College Relations, Dept. CR5-13  
Radio Corporation of America  
Camden 2, New Jersey

## Addresses Teachers

• BURNICE H. JARMAN, dean of the summer sessions, addressed the Virginia Association of Teachers of English last Friday.

His topic was "Coordinating the Language Arts on the Elementary, Secondary, and College Levels of Instruction." Dean Jarman spoke at the John Marshall Hotel in Richmond to an audience of English teachers on elementary, secondary and college levels.

Dean Jarman was also in Richmond last Wednesday, when he addressed the department of elementary school principles of the Virginia Education Association.

## SCARLET

chairman of the student enrollment committee and the Career Conference. Mr. Hince is president of the Student Council.

Mr. Newheiser is past editor of the Student Handbook and controller of the Student Council. Mr. Crump is an associate editor of the Cherry Tree and co-chairman of the Career Conference.

Tapping for the group is scheduled for December 17, at the annual presentation of Handel's "Messiah" in Lisner auditorium. As many of the full quota of thirty as possible will be tapped on that date, according to Mr. Reinisdorf.

## Chi O Wins Tournament

• CHI OMEGA took first place in the volleyball tournament sponsored by the Intersorority Athletic Board last Thursday.

Kappa Kappa Gamma finished second and Delta Gamma and Pi Beta Phi won third and fourth places respectively. Chi Omega defeated Pi Beta Phi in the first match and the Kappas beat the Delta Gammas.

Pi Beta Phi won the tennis tournament October 11 with Bonnie Borden and Elva Schroebel defeating Bobbe Lohnes and Barbara Baldauf, of Kappa Alpha Theta, who took second place. Mary Ann Alderson and Connie McGoodwin captured third place for Delta Gamma.

Five points are awarded to the first place winner of each Intersorority Athletic Board sponsored tournaments, with three points for second place and one point for third. The sorority having the greatest number of points at the end of the year's competition is awarded a large rotating cup. A small permanent cup is awarded to the winner of each of the separate tournaments.

## Pi Kappa Alpha Beats Newman Club For Title

by Bob Lipman

• PI KAPPA ALPHA virtually clinched the League A title by beating the Newman club 13-0 Sunday. Barring an upset in its final game against SPE next week, Pike should be the league's representative.

Both teams were under constant pressure throughout the game. Pike started the scoring with Warren Lytle snagging a pass from Mike Sileo and running for the touchdown. In the second quarter Pete Cerick scored on a pass from Bill De La Vergne. The Newman club did not get rolling until the third quarter when a McCarthy pass to Wood connected for 40 yards and a touchdown.

Alpha Epsilon Pi evened its record by squeaking past Sigma Phi Epsilon 12-6. Highlighting the game was a dazzling 80-yard kickoff return by Saul Leibowitz which assured the AEP's of victory. Their second score came on a pass from Herb Rappaport to Stu Gould.

John Harrison and Dwight Jackson scored on short runs to lead

Sigma Nu (A) to a 13-0 victory over Kappa Alpha. This victory evened Sigma Nu's record at two wins and two defeats.

### League B

(Delta Tau Delta (A) beat Tau Kappa Epsilon 27-0. Only an upset victory by TEP next week would keep the Deltas from winning the league title. The Deltas couldn't be stopped offensively as they scored a touchdown in every quarter. Kevin Shea led Delta-Tau by running for one touchdown and grabbing a long pass from Tom Smith for his second score of the day. Tom Smith threw another touchdown pass to Bill Medina. Sandy Schlemmer completed the scoring by running the ball over from the three-yard line.

Delta Theta Phi ran all over Tau Epsilon Phi, 32-0, and kept their hopes alive of catching DTD (A). The Lawyers have only one defeat on their record. A loss by Delta Tau Delta combined with a Delta Theta Phi victory would throw the championship into a playoff.

Theta Tau beat the Med School on first downs. The score was 6-6, but in the event of a tie the winner is decided by the greater number of first downs. Theta Tau rolled up four first downs while the Med School got two.

### League C

Phi Alpha, perennial winner of intramural football, showed that this year isn't any different as they smashed their way to a 38-0 victory over Delta Tau Delta (B). This win sewed up the league title for Phi Alpha as they completed their schedule with a clean slate. The barrage began when Herb Kushner intercepted a pass and ran it back 40 yards for a TD. Kushner also threw three touchdown passes, one to Ronnie West and two to his favorite target Warren Danick. Merv Lynn scored on a 70 yard run.

The only other scheduled game was between the Law School and ROTC. The Law School won on a forfeit.

### League D

Sigma Alpha Epsilon won the league title by walloping Phi Sigma Kappa 33-0. SAE scored at least once in every period. Tom McHan threw two touchdown passes and scored himself on a pass from John Dorish. Chris Catoe ran for one TD and John LaGorce scored on a 50-yard pass interception. The game ends SAE's schedule and makes them the league's representatives in the playoffs.

Sigma Nu (B) registered its first win of the season by beating Acacia 6-0. Brownie Greene threw a 40-yard pass to Bob Groggin to sew up Sigma Nu's first win.

IT'S FOR REAL!

by Chester Field

"To catch a man," said Violette  
"The wisest gals play hard to get!"  
To seem remote and quite aloof  
She sat six years upon the roof.

"It doesn't seem to work," she said  
And so she clobbered them instead.  
She shrugged, "I do the best I can  
Unconscious or not, a man is a man!"

CLEAVES NEW CAFETERIA  
1715 G Street, N. W.

**1956 NATIONAL RIFLE ASSOCIATION INTERCOLLEGIATE CHAMPIONS**  
 Standing: Helen Harris, Coach; Regina Gorski, Pat Kirkland, Lou Bernard, Marilyn Greer, Nancy Codel and Pat Pope, Assistant Coach. Kneeling: Helen Skopic, Verdell Algee, Fay Callaway and Ethel Tucker.

## Girl Riflers Begin Practice With Only Three Holdovers

• THE WOMEN'S RIFLE club is starting the season with only a few players returning from last year's Intercollegiate Championship team. Gone are Regina Gorski, Marilyn Greer and Betty Baker.

Nancy Codel is back at school but will not be firing this year and Verdell Algee is not expected to be firing this season also. Only Helen Skopic and Ethel Tucker are back from the Championship team which won in the prone division.

Helen Skopic feels, although they have lost some good shooters, that the team ought to be better this year. "We ought to be better off this year as we have three new girls who have had experience in shooting already. Last year we had trouble, as many of the girls who fired had never done any shooting."

The three newcomers are Margaret Cannon, Kate Storey and Eleanor Halley. Miss Cannon is a freshman and has fired for two years on the Montgomery Blair rifle team. Miss Storey, another freshman, has fired on summer camp teams, and Miss Halley, a junior, has been firing for four years.

The team held its first practice last week. Miss Skopic pointed out that you don't have to be an experienced shooter as last year two members of the championship team had never fired before. Anyone interested is invited to contact

Miss Skopic at Strong hall. No equipment is necessary. Practice is planned on Thursdays at 12:30, 1:30 and 7:30.

## Rowing Club Meets Friday

• THE ROWING CLUB, still in its first year of existence of G. W., has made substantial progress. The club owns a shell and a set of oars and has been granted use of Potomac Boat club's facilities.

Next spring the club plans to begin daily practices at Potomac Boat club on March 1. Until then, however, there are several things it must do. Primarily, the club needs more men who are interested enough in the sport itself or who are willing to develop enough interest in it to spend time at daily workouts developing a crew which will have a fairly good chance of winning races.

A nucleus of experienced oarsmen are now holding the club together, but it can't survive unless a large number of inexperienced men are willing to learn the sport and give their wholehearted support to it.

Friday at 1:30 on the first floor of Monroe hall an organization meeting will be held. Films of college rowing will be shown. Bob Moore, coach of the Rowing club, will be present to explain the sport and answer questions. Also, plans for the coming year will be outlined.

Anyone interested in rowing or helping with publicity, etc., are urged to attend. For further information contact Vincent DeAngelis in the Intramural office.

## Buff Jayvees End Season With 2-2 Mark

• THE COLONIAL JAYVEES beat Montgomery Junior College, 7-0 two weeks ago and lost to Maryland, 20-8, Saturday in running their season record to two wins and two defeats.

G. W.'s winning touchdown against Montgomery came on a pitchout pass from halfback Bill Smythe to end Dick Bonieskie. The play covered 35 yards with quarterback Ed Hino converting after the score.

Maryland and a muddy field was too much for the Buff as they lost their second game of the season. The field was so bad that both teams fumbled a total of 13 times. It got so bad that center Ron Demelphi couldn't snap the ball back to the quarterback once as it was stuck in the mud.

Quarterback Dick Scarbath, brother of former All-American Jack Scarbath, was the key figure in the Terp's victory. Scarbath passed for two touchdowns and ran 22 yards for the third Maryland score.

The Colonials couldn't overcome two quick Maryland scores in the first period. G. W.'s lone score came in the third quarter when Jerry Powers, a Wheaton graduate, scored from two yards out. The Buff scored a safety in the final period when Maryland halfback Gene Verandi fell on the ball in the end zone.

# Colonials Bow to West Virginia, 14-0

## Hatchet Sports Of 1956 Season

SHEPHERD SCORES SECOND TOUCHDOWN

• Jack Henzes and Bob Shuba look on hopelessly as Shepherd takes a 15-yard pass for the score.

### With The Teams

by Paul Welch

• THE COLONIALS PLAY their last home game of the year against Richmond Friday night, ending a home season which has been the best in many a year. The Colonials will be favored to win this game and thus will finish the home slate with a perfect record.

Eleven men will close out their home football careers with the Colonials. To these eleven men, this will mean the end of their collegiate football career: Co-captains Paul Thompson and Bo Austin; tackles Ted Leneski, Dave Liddick and Bill McHenry; guards Ray Murray, Ed Sakach and Bob Sutton; center Joe Hince, halfback Pete Spera and fullback Bob Shuba.

This year has been the best since 1936, and the Colonials will equal the season's record of 7-1-1 if they beat Richmond and The Citadel in their two remaining games. What has helped the Colonials the most, and which has been the least publicized, has been the outstanding line play.

Even in losing to the West Virginia powerhouse, the line did an outstanding job. At one time of the game, the Mountaineers had a fourth down with 60 yards to go, resulting from Bob Jewett's, Dave Liddick's and Paul Thompson's defensive play. Jewett suffered a broken jaw during the game and will be out for the rest of the season.

Of the eleven boys graduating this year, eight will be from the line. Of all the seniors, perhaps the only one who will enter pro ball will be Dave Liddick, the 240-pound tackle from Halifax, Pennsylvania. Dave has already received questionnaires from all the pro teams and even some from Canada. Paul Thompson, All-Southern Conference end last year, and receiver of two TD passes this season will be gone. Paul is known for his defensive play and many of the opposing teams have refused to run plays around his end.

Along with Liddick, second stringer Bill McHenry will be leaving as will Ted Leneski. This will throw the whole brunt of the tackle position next year on Bob Jewett, Ed Rutsch and Carl Zaleski.

Bo Sherman's team will also be losing three of its top guards: Ray Murray, transfer from Montgomery Junior College, Ed Sakach and Bob Sutton. Sakach and Sutton have been the starting guards for the last two years.

Student Council President Joe Hince will also complete his last year with the Colonials. Joe filled the shoes of last year's Co-captain Dick Gaspari and has done an outstanding job as a linebacker this year. "Cholly" Peter Spera will be hanging up his cleats, after rounding out his best year of collegiate football. Along with Bob Shuba, the B unit proved many times to be the kindling spark in the Colonials' offense and defense.

Spera is the second leading ground gainer on the team, with the other halfback of the B unit, Ted Colna, the leading ground gainer.

The gridiron will soon be forgotten and the spotlight will turn to basketball. Over in the Tin Tabernacle, Coach Bill Reinhart has had over 30 hoopsters practicing for the past two weeks. In looking over the players they lost last year, Joe Holup, a member of the elite 2,000 point club, the most ACCURATE shooter in the history of college basketball, George Klein, Jay Manning and Joe Petcovich, many people undoubtedly shudder when they think of the coming season.

However, one person who isn't too worried is Coach Bill Reinhart. Reinhart said in regards to this year's team, "You don't have to hang any crepe for us. We're going to have a better shooting team and a better ball-handling team. We won't have to depend on one man so much and we're going to have bench depth, something we lacked this past season."

Returning lettermen include Jack Jolly, Bill Telasky, Frank Morrison, Ardie Baker, Ron Metalvage and Ron Dearden.

If you wander over to the Tabernacle, you will see several new faces playing on the first string with Telasky and Morrison. They are Gene Guarilla, Bucky McDonald and Bill Fackler.

Guarilla, a 6 foot, 7 inch transfer from Potomac State, is figured to be perhaps the best of the new men. Gene played several minutes of the game against the Olympic team and scored five points. While at Potomac State, Guarilla broke all of Corky Devlin's records. McDonald will take over Klein's back court duties. "He's a polished floorman now, and he can hit them from outside," says Reinhart. Fackler who starred for Camp Kilmer, New Jersey, for two years will be at a forward position.

### Richmond Hopes To Surprise Buff

by Bill De La Vergne

• COACH ED MERRICK and his Richmond Spiders will be in town Friday night hoping to find the Colonials still reeling from last week's 14-0 setback by West Virginia.

This year's scene is almost identical with last year's when the Spiders followed the Mountaineers on the G. W. schedule and found the Buff still a little groggy, beating them 7-0 Friday night's game will show just how well the Colonials can recover.

#### Has Depth

With 19 lettermen returning from last year's 4-3-2 season, Richmond has plenty of depth in all but the quarterback and tackle position. The bright spot of the Red and Blue attack lies in the center of the line. Dick Eaton, a 6-2, 220 pounder is at the pivot slot, flanked by all-Southern Conference Dave May at one guard and Don Hillgass, a four-year regular, at the other guard post.

At the tackle position the Spiders have only two returning lettermen—Fred Wilt and Pat Lamberti. Both, however, are 6-foot-plus, 210-pound giants who can go the full 60 minutes if necessary.

#### Light Ends

Richmond probably has two of the lightest ends in the conference on their starting eleven—Duke Thacker, 180-pound senior, and Lou St. Clair, 185-pound junior.

Halfbacks George Riggs and Dave Ames are the big guns for Richmond and are considered by Coach Merrick as "the fastest backs in the Southern Conference." Riggs, who has been clocked in 9.9 for the century, is the top offensive weapon. Ames is a broken-field runner and averaged 6 yards per carry last season.

#### Good Kicker

Buddy Davis, 6-foot, 200-pound sophomore, is the starting fullback. Davis is a forty-yard-plus booter and will do most of Richmond's punting.

The only returning quarterback who lettered last year is Jim Hoffman. Sophomore Frank Gagliano and freshman Joe Rossetti also have shown promise as signal-callers this season. It is not certain which one of these three will be called upon by Coach Merrick to start Friday night.

The series, which goes way back to 1897, shows the Colonials out in front 6-4-0 on the record books.

• AFTER PLAYING the likes of Pitt, Penn State, Texas and Syracuse, West Virginia found the previously undefeated Colonials a more pleasant opponent, outclassing G. W. 14-0, Saturday at Morgantown.

Before a shirt-sleeved crowd of 22,000, the Mountaineers dashed all of the Buff's aspirations. An unbeaten season, a Southern Conference championship, a national ranking, and a possible bid to a bowl game—all these were left behind at Mountaineer Field.

West Virginia completely dominated the game in extending their winning streak in Southern Conference play to 19 consecutive games. The Colonials could do nothing right all afternoon, and their offense was so inept that they didn't tally a first down until 13 minutes had elapsed in the third quarter. The Mountaineers ran away with the statistics, racking up 17 first downs to only three for the Buff. They also outtrushed G. W. 151 yards to 23, and outpassed them, 106-53.

#### Good Punting

The only statistic where the Colonials stood out was in the punting department. Bo Austin punted seven times and Pete Spera, twice for an average of 40.7. G. W. had the ball for 43 plays to 77 for West Virginia. Therein lies the story of the game.

G. W. threatened seriously only once, that with a minute and a half remaining in the contest. Ray Looney pitched out to Mike Sommer who flipped a perfect pass to Dick Claypool for 51 yards down to the West-Virginia 3-yard line. Sommer tried once and Austin took two cracks at the goal line, but the Mountaineers held fast. On fourth down Looney's pass intended for Paul Thompson was batted down.

What hurt the Buff most was their pass defense, which ironically enough was strong in the early games. The first Mountaineer score was set up by a 36-yard pass to halfback Sammy Sizemore, and the second touchdown came on a 15-yard completion to halfback Paul Shepherd. Quarterback Alex Szuch was on the throwing end both times with halfback Bob Shider converting after each touchdown.

#### Krutko Scores

A break came G. W.'s way right off the bat, but the Buff couldn't capitalize on it. West Virginia's Sammy Sizemore returned the opening kickoff 32 yards to his 40. Pile-driving fullback Larry Krutko rushed for a first down in two carries to the 50. Sizemore fumbled on the next play, however, and center Joe Hince recovered for G. W. on their 49. Austin cracked for two to the W. Va. 49, but Looney's pass was picked off by Sizemore on his own 41. There was no stopping the Mountaineers as they went all the way for a score.

Krutko carried for five to the 46. Jack Rabbits, who ran like one Saturday, picking up 54 yards in 10 carries, streaked for six yards and a first down. Szuch then completely fooled G. W. with his faking and connected with Sizemore for 36 yards to the 10. Three plays later Krutko put the ball across from the three for the initial Mountaineer score.

#### Colna Fumbles

The next three times the Buff got the ball they could keep it only three plays before punting on fourth down. West Virginia got a big break when Snider punted to the G. W. 42. The ball was rolling dead, but Ted Colna picked the pigskin up and tried to run with it. No sooner did that happen than wham! Colna was hit, fumbled, and end Joe Kopnisky recovered. The Mountaineers drove to the 15, but appeared stopped with fourth and nine. Here Szuch connected with Shepherd for a TD, and the Buff now trailed by 14 points.

Near the end of the half, the Colonials put on a terrific defen-

sive stand when it appeared that West Virginia was on the move again. The Mountaineers had the ball on the G. W. 31. On the first play WVU was penalized 15 yards to the 46. Szuch's pass was incomplete. Szuch tried to pass again, but was hit for an eight yards loss to his 46. WVU was penalized 15 yards for clipping to the 31. On third down Szuch attempted to pass but was hit for a 11-yard loss to the 20. It was now fourth down and 60 yards to go for a first down!

#### First Down

West Virginia threatened seriously late in the third period moving down to the G. W. 14. On fourth down, however, Szuch failed to get the necessary yardage for a first down.

Colna rammed through the middle for five yards to the 18. Spera carried to the 26 for the Buff's first down of the game with 1:55 remaining in the quarter. Bob Shuba gained six to the 32. Spera carried again picking up three. Colna racked up another first down as he charged to the 39. The drive stalled when Looney's piteout to Spera went astray with Pete recovering on his 32.

The Mountaineers were driving again in the fourth quarter, having moved from their 33 to the Colonial 16. But Dick Claypool broke up a fourth down pass on the goal line. After an exchange of punts the Buff had the ball on their 46. Sommer connected with Claypool for 51 yards to the three, but the Colonials could go no farther.

BUFF TIDBITS: Bob Jewett, who played a great game at tackle, broke his jaw and will be out for the rest of the season. Jewett's loss is a severe blow to the Colonials. . . . G. W. dropped their fifth straight game to West Virginia. The series now stands at 8-6-1 with the Mountaineers on the long end.

The Colonials went through more than a football game without making a first down. G. W. played the entire second half against William & Mary and the first half against West Virginia without registering a first down. In fact 13 minutes elapsed in the third period before they made one. . . . Austin quick-kicked from his goal line 66 yards in the fourth quarter for the longest G. W. punt of the year.

#### Large Crowd

G. W. still can equal their best record in history of 1936 (7-1-1) if they beat Richmond and the Citadel in their two remaining games.

The crowd of 22,000 was the largest that the Buff have played before all season. . . . After the first series of downs first string quarterback Mike Trimarki was removed and didn't re-enter the game. His understudy, Alex Szuch led the Mountaineers to both of their touchdowns. . . . Halfback Pete Spera received his induction papers and, if he doesn't get a deferment, Spera will miss the game with the Citadel.

### SCHEDULE AND RESULTS

G. W. 7.....	Miami 6
G. W. 10.....	Furman 6
G. W. 13.....	Hardin-Simmons 7
G. W. 20.....	Boston U. 20
